

texi® CATENACCIO

Electronic bartacking machine with set for sewing light and medium materials and set for heavy materials. Machine with built-in energy-saving AC Servo motor and with LED lamp for lighting of working field.

Technical specification:

- for sewing light, medium and heavy materials (set: clamp, feed plate, needle plate, thread tension unit, hook and hook holder)
- serial clamp size 20 x 4.5 mm (allows to obtain max. bartack length 18 mm)
- direct and fast access to 5 preferred patterns
- 15 bartacking patterns in standard, that can be modified and saved on the control panel
- 100 bartacking patterns in option (after changing the clamp to appropriate)
- possibility of patterns editing
- wiper
- maximum sewing speed 3.000 s.p.m.
- integrated, energy-saving AC Servo motor
- fast and precise stepping motors working in x and y axis
- energy-saving LED lamp
- needles system 135x5

with set for sewing light, medium and heavy materials

Additionally, as an option, 6 other clamps: 21 x 5,1 mm, 27 x 5 mm, 10 x 4,5 mm, 5,6 x 23 mm, 2 x 20 mm, 20 x 40 mm

texi

PREMIUM EX

TABLE TOP TC PREMIUM

The highest quality table top made of moisture resistant birch plywood (30 layer) which perfectly damps vibrations. PREMIUM table top surface is coated with a special laminate resistant to impact, abrasion and splinters. Sides protected by ABS slats.

STAND HD PREMIUM SILVER

Steel, stable and durable stand for heavy machines with height adjustment (69-83 cm) and oilier holder.

AC SERVO MOTOR

Built-in energy-saving AC Servo motor

2 YEARS WARRANTY

MORE POWER. LESS COSTS.

Energy-saving AC Servo motors work only when the machine is sewing. They maintain full power and save up to 70% energy (compared to electronic and standard clutch motors).

INCLUDES SET FOR HEAVY MATERIALS

	Bartacking patterns in standard	Size (mm)
1		16 x 2
2		10 x 2
