

Electronic zigzag machine with automatic functions and software for stitch programming on the touch control panel. Equipped with energy-saving AC Servo motor, stepping motors for driving needle bar and feed dog. LED lamp for lighting of working field.

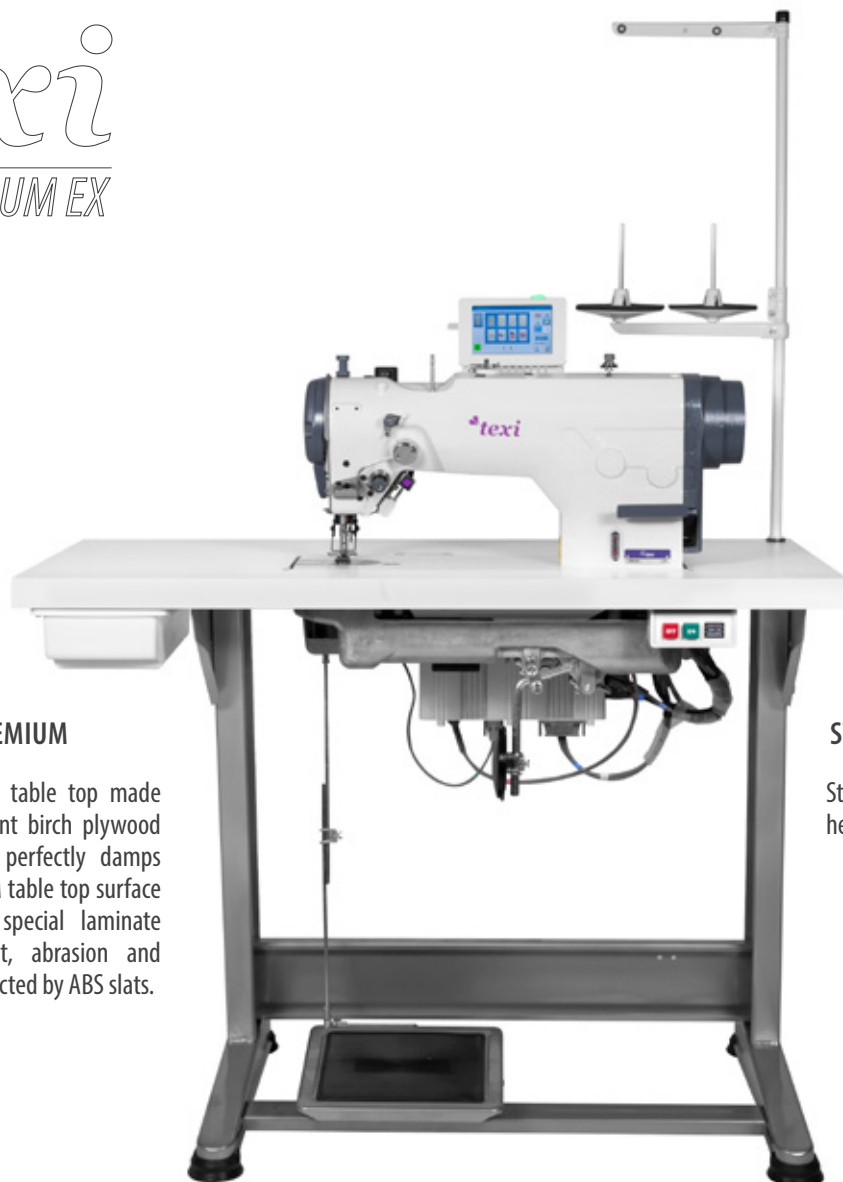

#### Technical specification:

- for sewing light and medium materials
- bottom feed
- 114 patterns programmed in machine's memory (20 basic and 94 custom decorative)
- software for stitch programming
- automatic functions: thread trimmer, bartacking, foot lifter, needle positioning, wiper
- maximum zigzag length 5mm
- maximum zigzag width 8 mm or 10 mm for 3-step stitches
- sewing speed up to 5.000 s.p.m.
- automatic foot lifter up to 6 mm
- energy-saving LED lamp
- built-in energy-saving AC Servo motor
- voltage 220-240V
- central lubrication system
- needles system 135x5

PREMIUM EX

2 YEARS WARRANTY

#### TABLE TOP TZ PREMIUM

The highest quality table top made of moisture resistant birch plywood (30 layer) which perfectly damps vibrations. PREMIUM table top surface is coated with a special laminate resistant to impact, abrasion and splinters. Sides protected by ABS slats.

#### STAND PREMIUM SILVER

Steel, stable and durable stand with height adjustment (72 – 82 cm).

## MORE POWER. LESS COSTS.

Built-in energy-saving AC Servo motor.

*Energy-saving AC Servo motors work only when the machine is sewing. They maintain full power and save up to 70% energy (compared to electronic and standard clutch motors).*
