DESIGNER TOPAZ™ 50

BUILT-IN ASSISTANCE FOR EXPERT SEWING AND EMBROIDERY

Let your imagination take the lead!

I'm Tara and I adore sewing, but adding embroidery to my repertoire has pushed my creativity to a completely new level. It's magical the way sewing plus embroidery turns something ordinary into something extraordinary. My best friend, Emma, and I depend on the HUSQVARNA VIKING® DESIGNER TOPAZ™ sewing and embroidery machines to bring our ideas to life!

Designed with fantastic space and built-in assistance features that are exclusive to the HUSQVARNA VIKING® brand, the DESIGNER TOPAZ™ 50 and DESIGNER TOPAZ™ 40 machines are the ultimate companions on our creative adventures!

Spending my day off fabric shopping and sewing with Emma is always exciting. One random idea leads to another and before you know it you are creating something really amazing and totally unique.

Join us for a perfect day of laughter, fun and creativity. With my best friend and our DESIGNER TOPAZ™ machines by our sides, there's no end to what we can imagine and create!

Let's get ready to shine!

With everything I have on my wish list, it's good to know that my DESIGNER TOPAZ™ machine has built-in assistance and time-savers to help me bring my ideas to life!

Assistance for amazing results

With the Basic Design Positioning feature you can match your embroideries perfectly every time!

BASIC DESIGN POSITIONING

– Match your embroideries perfectly every time!

Always know exactly where your embroidery is placed without having to use templates with the Basic Design Positioning feature on the DESIGNER TOPAZ™ sewing and embroidery machines. The Design Positioning Wizard makes it so easy!

EXCLUSIVE SEWING ADVISOR® FEATURE

– The secret behind the right setting at the right time!

With the Exclusive SEWING ADVISOR® feature there's no guessing. Simply enter fabric type, weight, and sewing technique and all the settings are programmed automatically - stitch, stitch width, stitch length, thread tension, sewing speed and presser foot pressure. It will also recommend the presser foot, needle type and size. With the Exclusive SEWING ADVISOR® feature, it's like sewing with a pair of helping hands!

EXCLUSIVE SENSOR SYSTEM™ TECHNOLOGY

– Adjusts to your fabric thickness for perfect, even feed.

With a tap on the foot control or the touch of a button; the Sensor Foot Pressure on your DESIGNER TOPAZ™ sewing machine automatically senses the fabric thickness - resulting in a perfect even-feed of any fabric and/or batting. The Sensor Foot Pivot senses the fabric thickness for instant pivoting when the needle is in the down position.

THE AUTOMATIC JUMP STITCH TRIM

– No thread trimming needed!

This feature trims the jump stitches in embroidery and pulls down the thread ends for hassle-free, expert results.

TIP: Make unique embellishments on home dec, garments and quilts for a truly sparkling effect. Using the optional Circular Attachment makes sewing circular shapes such a breeze! Read more on husqvarnaviking.com!

Shine a light on your creativity

LED LIGHTS

– *Maximum light for perfect results*

Clearly seeing your sewing and work surface is vital to your sewing success. The three LED Lights on the DESIGNER TOPAZ™ machines illuminate the needle and extended sewing surface to eliminate eye strain.

Combining designs on screen is so much fun and lets me create unique combinations that fit every project perfectly!

LARGE SEWING AND EMBROIDERY SURFACE*

– *Ideal for big ideas!*

The HUSQVARNA VIKING® DESIGNER TOPAZ™ 50 sewing and embroidery machine features an impressively large sewing surface, 250mm (almost 10") to the right of the needle, and sensational 360x200mm (14¼" x 8") embroidery area.

You can create and embroider designs up to 240x150mm (9½" x 6") and embroider without re-hooping on the DESIGNER TOPAZ™ 40 machine. Sew large projects easily thanks to the large area to the right of the needle, 200mm (almost 8").
